2. IQAC Composition and Activities

2.1	No. of Teachers	5
2.2	No. of Administrative/Technical staff	2
2.3	No. of students	2
2.4	No. of Management representatives	2
2.5	No. of Alumni	2
2. 6	No. of any other stakeholder and Community representatives	2
2.7	No. of Employers/ Industrialists	2
2.8	No. of other External Experts	2
2.9	Total No. of members	19

2.10 No. of IQAC meetings held

2.11 No. of meetings with various stakeholders: No. | 19 |

Faculty | 10 | Non-Teaching Staff and Students | 4 | Alumni | 1 | Others | 4 |

Note: Faculty meeting: Monthly and as necessary, Student: Student Nurses Association meeting, Alumini meeting, other: meeting with hospital and community stakeholders (urban and rural).

2.12 Has IQAC received any funding from UGC during the year?   Yes | 0 | No | √ |

If yes, mention the amount | NIL |

2.13 Seminars and Conferences (only quality related)

(i) No. of Seminars/Conferences/Workshops/Symposia organized by the IQAC: Total Nos. | 6 |

International | NIL | National | 1 | State | NIL | Institution Level | 5 |

(ii) Themes

- Care of Clients with HIV / AIDS-3rd August, 2015
- Proficiency in Manuscript writing & publications-11th August, 2015
- 'Good clinical practice' for the PG teacher and PG students-26th December 2015
- Oncology Nursing: Promoting Excellence in cancer care -20th -24th -26th January, 2016
- National Conference : Oncology Nursing: Excellence in nursing care-21st-23rd January, 2016
- Research methodology and use of ICT in research-11th -18th April 2016

2.14 Significant Activities and contributions made by IQAC

- Meeting with the Hospital stakeholders regarding feedback on teachers and students performance
- Review of Antiragging committee
- In-service Education Programme by the teaching faculty for Bharati Hospital Nurses
- Celebration of all health (national and international)days.
- Organisation of regional /national level One day seminar, workshop and conference.
- Faculty Development Programmes: Workshop on BLS and research technology and use of ICT.

2.15 Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year *

Plan of Action	Achievements

Academic Calendar of the year should be enclosed at Annexure - I.

2.16 Whether the AQAR was placed in statutory body: Yes √   No ☐

Management √   Syndicate ☐   Any other body ☐

Provide the details of the action taken

Annexure I is attached

Part – B

1.   1.1   Details about Academic Programmes

Level of the Programme	Number of existing Programmes	Number of programmes added during the year	Number of self-financing programmes	Number of value added / Career Oriented programmes
PhD	0	0	0	0
PG	1	2012-2013- 02 specialities 2014-2015 03 specialities	1	0
UG	2	0	2	0
PG Diploma	0	0	0	0
Advanced Diploma	0	0	0	0
Diploma	0	0	0	0
Certificate	0	0	0	0
Others	0	0	0	0
Total	03	05 specialities	03	0
Interdisciplinary	0	0	0	0
Innovative	0	0	0	0

1.2   (i) Flexibility of the Curriculum: CBCS / Core / Elective option/ Open options
      (ii) Pattern of programmes:

Pattern	Number of programmes
Semester	0
Trimester	0
Annual	3
Ph.D. & Certificate courses are excluded.	

1.3   Feedback from stakeholders* Alumni [ ] Parents   Employers [2] Students
       (On all aspects)

       Mode of feedback :   Online [0] Manual [√] Co-operating schools (for PEI) [0]

       Analysis of the feedback should be enclosed at Annexure - II.

1.4   Whether there is any revision/update of regulation or syllabi, if yes, mention their salient aspects.

> Institution is following the Curriculum which is set by the Indian Nursing Council and approved by the member of Faculty of nursing (Clinical and Non- clinical) and Board of study Members. As per the INC guidelines in the year 2015-2016 the revision has made in nursing research and obstetrics and gynaecology subject.

1.5   Any new Department/Centre introduced during the year. If yes, give details.

> Nil

Teaching, Learning and Evaluation

2.1   Total No. of permanent faculty

Total	Asst. Professors	Associate Professors	Professors	Others
28	07	01	02	18

2.2   No. of permanent faculty with Ph.D.   [01]

2.3   No. of Faculty Positions Recruited (R) and Vacant (V) during the year

Asst. Professors		Associate Professors		Professors		Others		**Total**	
R	V	R	V	R	V	R	V	**R**	**V**
07	01	01	02	02	0	18	01	**28**	**04**

2.4   No. of Guest and Visiting faculty and Temporary faculty [17] [10] [0]

2.5 Faculty participation in conferences and symposia:

	Number of Faculty who attended at		
	International level	National level-2	State level-2
Attended Seminars/ Workshops/Conference	0	26	27
Presented papers	0	0	0
Resource Persons	0	0	0

2.6 Innovative processes adopted by the institution in Teaching and Learning:

- Realizing the importance of institutional responsibility in the teaching, learning and evaluation process, the college gears up adequate intrinsic mechanisms and adopts new pathways in achieving the goals of academic excellence.

- Fresher are given adequate orientation during the introduction programme.

- Internal Quality Assurance Cell (IQAC) meets periodically to discuss the various issues regarding teaching, learning, evaluation and research.

- The novices are moulded to serve with compassion, care and evidence-based practices as they are exposed to the 750 bedded parent hospital and other affiliated specialty hospitals.

- The College uses the following teaching learning methods: lecture method, didactic lectures, discussion, and interactive methods such as bedside clinics, nursing rounds and practical
- Demonstration and PowerPoint Presentations. VCD, Web Based Teaching, Simulated teaching, dummies and manikins are additionally used for teaching basic nursing skills.

- Outreach programmes and field visits to milk dairy, sewage plant, water purification and supply plants and rural/urban health centres are organized.

- Students are involved in conducting Continuing Nursing Education programmes, seminar, symposium, workshops and conferences, with the use of A.V aids like LCD, projector, flannel board, slide projector and over head projector.

- Nursing procedures are taught through the demonstration technique in the laboratory; re-demonstration is taken and then the student is permitted to perform at the bedside.

- The average number of students at a time in a given ward is around 12 per shift and number of hours that the student spends in the ward per day is 8 hours. Clinical hours are planned as per the requirements laid down by INC which varies with the year of study.

- The teachers are placed in evening duty for the continue assessment of the students performance.

- Students are encouraged to organize and attend the conferences/seminars/workshops held within and outside the Institution.

- Education and administration tours are organized to various specialty hospitals and renowned nursing colleges.

- The College examines the feedback of various courses from students which is undertaken by the Class Coordinators and the Principal on a quarterly and annual basis.
- Formative subject evaluation is conducted by the subject teacher periodically. Students also evaluate teachers at the end of academic year. Feedback mechanism of the non teaching staff is conducted yearly by the Principal of the college.

- The faculty and students keep pace with the recent development in the various subjects by referring to journals, magazines, attending conferences, seminars, workshops and online resources. There are department libraries for the use of faculty and students which are updated every year with new books and research materials. The Post graduate students are encouraged to conduct intervention-based research studies and the findings are applied into the clinical and community settings.

2.7   Total No. of actual teaching days during this academic year | 197 |

2.8   Examination/ Evaluation Reforms initiated by the Institution (for example: Open Book Examination, Bar Coding, Double Valuation, Photocopy, Online Multiple Choice Questions)

Re-evaluation and Photocopy

2.9   No. of faculty members involved in curriculum restructuring/revision/syllabus development as member of Board of Study/Faculty/Curriculum Development workshop

| 4 | 1 | 0 |

2.10   Average percentage of attendance of students | As per INC rule: 85% in Theory and 100% in clinical |

2.11   Course/Programme wise distribution of pass percentage:

Results of final year examination for each course are as under.

Title of the Programme	Total No. of students appeared	Division					
		Dist. %	I %	II %	III %	* Pass %	Overall % of Passing
M.sc. Nursing	27	0	82.47	17.53	0	100	100
B.Sc. Nursing	187	15	45.44	37	0	97.44	100
P.B.B.Sc. Nursing	41	36.82	56.09	17.07	0	90.24	100
Total	275						

For some course university does not award grades and simply declares result as pass.

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes :

- Realizing the importance of institutional responsibility in the teaching, learning and evaluation process, the college gears up adequate intrinsic mechanisms and adopts new pathways in achieving the goals of academic excellence.

- Fresher are given adequate orientation during the introduction programme.

- Internal Quality Assurance Cell (IQAC) meets periodically to discuss the various issues regarding teaching, learning, evaluation and research.

- The novices are moulded to serve with compassion, care and evidence-based practices as they are exposed to the 750 bedded parent hospital and other affiliated speciality hospitals.

- The College uses the following teaching learning methods: lecture method, didactic lectures, discussion, and interactive methods such as bedside clinics, nursing rounds and practical
- demonstration, and PowerPoint Presentations. VCD, Web Based Teaching, Simulated teaching, dummies and manikins are additionally used for teaching basic nursing skills.

2.13 Initiatives undertaken towards faculty development

Faculty / Staff Development Programmes	*Number of faculty benefitted*
Refresher courses	0
UGC – Faculty Improvement Programme	0
HRD programmes	0
Orientation programmes	0
Faculty exchange programme	0
Staff training conducted by the university	2
Staff training conducted by other institutions	2
Summer / Winter schools, Workshops, etc.	2
Others	0

2.14 Details of Administrative and Technical staff

Category	Number of Permanent Employees	Number of Vacant Positions	Number of permanent positions filled during the Year	Number of positions filled temporarily
Administrative Staff	17	0	0	1
Technical Staff	0	0	0	0

Criterion – I consultancy and Extension

3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

The proactive mechanisms adopted by the institution to facilitate the smooth implementation of research schemes/projects are:

i)   Organizing periodic workshops in Research Methodology for faculty and students.
ii) Organizing various workshops related research like "Good clinical practice" by involving eminent external faculties.
iii) Easy procedures for special leaves and excuse from routine work during involvement in research.
iv) Availability of funds for research work from the University.

- Proportion of funds dedicated for research in the annual budget:

  o   5.00 % of the institutional annual budget is allocated to research projects.

- Availability of funding for research /training/resources.

  o   Funding is available for research /training/resources and easy dispensing mechanism is present.

- Availability of access to online data bases.

  o   Yes. The college has access to following online databases:

    ▪   DELNET/UGC Net

3.2 Details regarding major projects

	Completed	Ongoing	Sanctioned	Submitted

4.5 Computer, Internet access, training to teachers and students and any other programme for technology upgradation (Networking, e-Governance etc.)

Academic staff college- Faculty development programme on Research methodology and ICT

In first year B.Sc. (N) syllabus 45 hrs. allotted as prescribed syllabus by INC.

4.6 Amount spent on maintenance in lakhs :

i.   ICT   0

ii. Campus Infrastructure and facilities   -

iii. Equipments   4,52047/-

iv. Others   0

Total :   4,52047/-

Criterion – V

5. Student Support and Progression

5.1 Contribution of IQAC in enhancing awareness about Student Support Services

- Student Council at BVDUCON, Sangli aims to provide opportunity for personal, intellectual, professional and social growth of its members.

- Students' Council is composed of the President, Vice President, Advisors, Treasurer, Assistant Treasurer, Sports Secretary, Assistant Sports Secretary, Literary Secretary, Assistant Literary Secretary and one representative from each class.

- Tutor ward system: To guide the students and help them for smooth transition the institute has a well-defined. Specific number of students is allotted to the faculty every year. The teacher will act as a guardian of the student and counsel as and when required.

- The students can discuss their problems and seek advice from the teacher.

- They convey the progress of the students to their parents or inform them about the attendance and performance if it is poor.

- Parent is given the opportunity to meet the Parent (teacher) of their ward once a year which is beneficial to the students.

- Periodic meetings with students.

- To assist the students with diverse needs following measures are taken:

- Regular Parent- teacher meetings.

- Student Nurses association resolve the students grievance regarding academic activities.

5.2 Efforts made by the institution for tracking the progression

Tutor ward system: To guide the students and help them for smooth transition the institute has a well-defined. Specific number of students is allotted to the faculty every year. The teacher will act as a guardian of the student and counsel if required.

- The students can discuss their problems and seek advice from the teacher.
- They convey the progress of the students to their parents or inform them about the attendance and performance if it is poor.
- Parent is given the opportunity to meet the Parent (teacher) of their ward once a year which is beneficial to the students.

- Periodic meetings with students.

- To assist the students with diverse needs following measures are taken:

- Regular Parent- teacher meetings.

- Student Nurses association resolve the students grievance regarding academic activities.

There are co-ordinators for each year who supervise and keep records of the functioning of this system. New ideas and initiatives to improvise this system will be implemented as per suggestions from students, teachers and parents for the betterment of our students.

5.12   No. of social initiatives undertaken by the students   [   ]

5.13   Major grievances of students (if any) redressed:

Student's welfare committee and Students Nurses Association (SNA): the body for the students to handle the grievances.

- Discussion for maintaining discipline in the clinical area.
- Discussion for supervisory rule for the administration of medication.
- Discussion for ill facility related to water supply and cleanliness of the classroom.
- Discussion about the duty rotation in clinical area.

Criterion – Vernance, Leadership and Management

6.1   State the Vision and Mission of the institution

Vision: "The college of Nursing aspires to be a model of excellence through dynamic
Programmes, innovative practices & research."

Mission:

- Provide student centered quality nursing education to contribute to the needs of nursing manpower development of the country.

- Promote overall development of the nursing students by training in education, practice and research.
- Training the students to become competent nurses to meet the need of the today's society.
- Empower the nurses with leadership quality.
- To approach the innovative practices through evidenced based care.

Objectives
- To help students acquire knowledge of theory and principles of nursing and allied subjects in the delivery of comprehensive nursing practice.

- To provide quality care to clients at various settings such as hospital, community and other health care agencies based on thrust area of research.

- To promote overall development of nursing students with special emphasis on cultural, intellectual, psychosocial and spiritual aspects.

- To set up modern simulation labs for skill training

- To develop online e-learning resources

- To start MOU/ collaborative programs with industry

- To start short term courses as an skill development programme (certificate course in first aid management during emergency and disaster.)

- To start the training program for clinical nurses based on current need of clinical area.

The activities carried out by the college adhere to its mission of serving the community and promote quality of nursing education and services by upholds the responsibility in the following ways:

    1.To promote professionalism by quality and value driven education with a world class.

    Establishing innovative teaching-learning facilities

    Recruit and retain the best qualified staff
- Fostering continuous updating of knowledge among staff and students

- Constant up-gradation of existing facilities

2. To make learning experience valuable that inspires learners to reach their full potentials as lifelong learners.

- Innovative assignment guided by teachers

- Promoting individual learning by providing Wi-Fi facility in central library

- Encouraging activity based learning in clinical area under the supervision of teachers and clinical experts

3. To train young professionals for leadership who are able to respond to health care needs of the society.

- Providing opportunity for leadership by taking active role in community outreach programme, NSS, sports, extracurricular activities

- Promoting the student leadership quality through Student Nurses Association.

- Creating health care awareness among rural communities through extensive outreach services regarding epidemic disease.

- Building research attitude among staff and students by promoting departmental and staff research publication and project work.

6.2   Does the Institution has a management Information System

> Document management system- For the administrative work
>
> E-learning environment for the students –classroom, e-library and teacher blogs

6.3   Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

- The College is recognized by the Indian Nursing Council and is constituent unit of Bharati Vidyapeeth deemed university, Pune. It offers two Under Graduate and one Post Graduate programs which are self financing and ICT enabled. The exposure of faculty to recent advances and feedback from students, alumnae and academic experts give the right impetus and direction for necessary changes in the curriculum.

- The College follows the curriculum set by the Indian Nursing Council and academic council of BVDU, Pune which make periodic changes relevant to the needs of the society by which the curriculum is kept up to date.

- Project work, field trips and participatory type of teaching-learning methods are the innovative components of various programmes.

- To help the slow learners, the college arranges remedial measures, and feedback mechanism is followed to improve faculty output.

6.3.2 Teaching and Learning

> Curriculum methods to encourage students to opt for the new areas. BVDUCON faculty provided input to academic and research deliverables in various accreditation processes, requested by the Indian /Maharashtra Nursing Council of India and the University Grants Commission.
> - Hand on clinical experience in various specialties.
> - Field trips
> - Case studies
> - Use of ICT by the teachers and students.
> - Clinical presentation, conferences, workshops, scientific exhibitions.
> - Community field experience (UPH(Sangliwadi) and RPH(Turchi Phata) .

6.3.3 Examination and Evaluation

- o Transparency in examination process.

- o Facility for the students for re- evaluation and to get the photocopy of the paper to recheck the answers.

- o Discussing evaluation with the students.

6.3.4 Research and Development

- Department wise need based procurement of Journals.
- Motivation of staff and students for conducting research.
- Enhance the quality of research publications by faculty and students and publications in indexed journals.
- Promote consultancy services in different specialties.
- Monetary/leave support to attend workshops/ conferences, seminars and present papers.
-   Encourage faculty to pursue PhD programme.
- Conduct research methodology/ project writing workshops
- Faculties are given leave facilities and seed money for conducting research studies.
- Providing research facilities such as laboratories, equipment , patients, hospital , investigation, library facilities and computer lab with internet facilities.
- The college conducts periodical conferences, seminars ,symposiums, journal clubs, workshops and guest lecture related to research and statistics.
- The college encourages and facilitates the students and staff to attend the conferences, seminars , symposiums, journal clubs, workshops and guest lecture within and outside of the country.
- The college recognizes and appreciate the faculty and students by awards and financial assistance for best research projects and papers published in Journals on appropriate platforms.
- Number of scientific articles published in indexed journals add weightage during

6.3.5 Library, ICT and physical infrastructure / instrumentation

- The College is sufficiently well endowed in terms of physical infrastructure. The College of Nursing occupies an area of 41.40 square meters and the campus area is 42.1 acres.. All departments and the offices including the general staff room have intercom facility.
- For all academic activities the College has the following facilities: Multimedia projectors in all the classrooms, OHP . For encouraging the students to take part in sports and games the College has a basket ball court and a volleyball/throw ball court. There is provision for indoor games table tennis, carom and chess.
- Gymnasium facility is available
    - (a)   No. of Books: 7585
    - (b)   No. of Journals:40
    - (c)   Details of e-journals: Del-net
    - (d)   Magazines: 02
    - (e)   Other facilities:
        - OPAC-online public Access
        - Bar-coding system
        - User-orientation, Information literacy and reference
        - Computer with internet facility
        - Interlibrary loan
        - Reading hall for teaching staff and student(UG/PG)

6.3.6 Human Resource Management

- Orientation programmes for newly recruited faculty members.
- Feedback from hospital stakeholder regarding teaching staff and student's performance.

6.3.7 Faculty and Staff recruitment

Recruitment process of the faculty members is done as per norms of Indian Nursing Councils and UGC.

6.3.8 Industry Interaction / Collaboration

Nil

6.3.9 Admission of Students

- Admission Process: For all nursing courses all India Common Entrance Test (AICET) conducted by the University.
- Use of technology in the process of AICET avoids human interventions & brings transparency.

6.4 Welfare schemes for

Teaching	➢ Deputation for M.Sc/ PhD Programme ➢ Health care scheme	
Non-teaching	➢ Two pairs of Uniform at the time of newly joining period ➢ Health care scheme	
Students	➢ Minority Scholarship. ➢ Fee concession by University to economically weaker students. ➢ Students Nurses Association unit is actively taking initiative to identify students problem and timely resolutions.	

6.5 Total corpus fund generated   0

6.6 Whether annual financial audit has been done   Yes √   No 0

6.7   Whether Academic and Administrative Audit (AAA) has been done?

Audit Type	External		Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	No	Nil	No	Nil
Administrative	yes	M/S V.A. Dhudhodia & Co.	yes	BVDU

6.8 Does the University/ Autonomous College declares results within 30 days?

For UG Programmes   Yes   √   No   0

For PG Programmes   Yes   √   No   0

6.9   What efforts are made by the University/ Autonomous College for Examination Reforms?

- Regular meetings were held by the faculty of Nursing and board of study members regarding Examination Reforms as per the rules of INC under the guidance of Hon. Vice Chancellor.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

NA

6.11   Activities and support from the Alumni Association

> - Organising alumini meet every year.
> - Mentoring the progress of alumini through the feedback mechanism system.

6.12   Activities and support from the Parent – Teacher Association

> - The Parent – Teacher meetings were held by each class to discuss their child's progress in academic performance.
> - Faculty and parents were getting resolutions for their academic and personal problems through formal & informal meetings with principal.

6.13   Development programmes for support staff

> - Facility of two pairs of uniform for newly joined staff- (Peon).
> - Health Facility under health scheme in Bharati hospital
> - In-service education programme- computer application in management/ Documentation delivery system.
> - Pension Plan scheme.

6.14   Initiatives taken by the institution to make the campus eco-friendly

> * Energy conservation: Sewage treatment plant
> * Use of renewable energy: Solar devices
> * Water harvesting: Available in campus
> * Solar panels: Available in campus
> * Plantation - Botanical or Medicinal significance: Available in campus
> * Bio-hazardous waste management : Available in campus
> * Effluent treatment and recycling plant: Available in campus
> * Recognition / certification for environment friendliness in campus.

Criterion – VII

7.   Innovations and Best Practices

7.1   Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- The College is recognized by the Indian Nursing Council and is constituent unit of Bharati Vidyapeeth deemed university, Pune. It offers two Under Graduate and one Post Graduate programs which are self financing and ICT enabled. The exposure of faculty to recent advances and feedback from students, alumnae and academic experts give the right impetus and direction for necessary changes in the curriculum.

- Department wise need based procurement of Journals.
- Motivation of staff and students for conducting research.
- Enhance the quality of research publications by faculty and students and publications in indexed journals.
- Promote consultancy services in different specialties.
- Monetary/leave support to attend workshops/ conferences, seminars and present papers.
-   Encourage faculty to pursue PhD programme.
- Conduct research methodology/ project writing workshops
- Faculties are given leave facilities and seed money for conducting research studies.
- Providing research facilities such as laboratories, equipment , patients, hospital , investigation, library facilities and computer lab with internet facilities.
- The college conducts periodical conferences, seminars ,symposiums, journal clubs, workshops and guest lecture related to research and statistics.
- The college encourages and facilitates the students and staff to attend the conferences, seminars , symposiums, journal clubs, workshops and guest lecture within and outside of the country.
- The college recognizes and appreciate the faculty and students by awards and financial assistance for best research projects and papers published in Journals on appropriate platforms.
- Number of scientific articles published in indexed journals add weightage during promotion

- The college arranges guest lectures and workshops in interdisciplinary areas.
- The college facilitates the scientific presentation among the departments

7.2   Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

Proposed Actions	Actions Taken
Annuxure I is attached	

7.3   Give two Best Practices of the institution *(please see the format in the NAAC Self-study Manuals)*

- ➢ Location of the institute makes it helpful to provide the surrounding villages with nursing services through the community health nursing postings.

- ➢ Extensive NSS activities to cater to the needs of the society.

- ➢ Earn and learn scheme for P.B.B.Sc/ M.Sc (N) students.

Details of Best Practices should be enclosed at Annexure-iii.

7.4   Contribution to environmental awareness / protection

- Eco-friendly campus

- Tree plantation

- Creating awareness regarding global warming by the NSS volunteers through imparting health education.

- Every student has to study the prescribed syllabus of environmental science to understand the eco-friendly environment.

- Mime on save environment for the Deaf and dumb students, Miraj

- Project on environmental science.

7.5   Whether environmental audit was conducted?   Yes   √   No

7.6   Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strengths:
  ➢ Use of ICT in teaching & learning, qualified and experienced staff, sound infra structure.

  ➢ Learner centric teaching techniques.

  ➢ Advanced clinical field,

  ➢ Feedback on Curriculum from students, academic peers, parents and

Threat:

- ➢ To attract the student to enroll due to mushrooming of the private colleges and obtaining nursing degree through distance education.

- ➢ To reduce the turn over and retain the grandaunts in parent hospital.

- ➢ Removing language and other barriers if any and thereby removing certain hardships for some of the students.

- ➢ Building a strong academic-culture where the students as a whole community can express themselves, their concerns and issues without any inhibitions

8.   Plans of institution for next year

- To develop a training centre for certificate course on First aid and disaster management for 6 months and eligibility criteria is 10th pass.

- To establish the skill development lab.
- Upgradation of existing nursing labs.
- New Areas of Research Industrial nursing/ Agricultural area
- Networking and linkages with other nursing college at national and international level.

- To start collaborative programme with the NGOs and various health agencies.

- To start the with e-journal of the institute.

- To develop a training centre for advanced training programme for nurses of various levels such as NRP (Neonatal Resuscitation programme) and HBBI (Helping Baby Breath Initiative).
