**Any other Innovative Practice /Special Information about the Institute:**

1. Student centric learning through extensive use of ICT.
2. Blending learning with e-resources through available free access of Wi-Fi.
3. Concretization and Enrichment of learning experiences through mandatory assignments in theory and clinical.Ppt. Presentations during seminar and clinical and classroom teaching.
4. Fostering the culture of knowledge acquisition through wider self-exposure to latest knowledge through the library and on-line subscribed books and journals.
5. Ensuring continuous updating of teacher competencies through a strong policy of support and teacher deputation for PG and PhD. and sponsorship for the training programme.
6. Our Institution is distinct because all the initiatives which are of major importance come through supportive management system and different committees also.
7. E-content automation of library, e-Library, LAN facilities, Wi-Fi Campus, Intercom mobilization, 24 four electricity, water harvesting system, fully equipped laboratory are the features which make it more effective and distinct than other institutions.
8. Good amenities in the campus with parent hospital affiliation for the students to provide them the good clinical experience and hand on practice during pre-service training.
